MEMORANDUM FOR: ASSISTANT DIRECTOR FOR RESEARCH AND REPORTS

SUBJECT: Request for Geographic Evaluation

REFERENCE: [REDACTED] 25X1A

25X1C

25X1C

1. The SR Division recently received from the ORR Geographic Division a completed Evasion and Escape study for [REDACTED]. The completed study is suitable for designation as [REDACTED] Evasion and Escape area.

25X1C

2. The SR Division has an operational need for an additional study of the same type as that just completed, but for two different areas. The general areas for which selection and analysis for [REDACTED] Evasion and Escape areas are required are:

25X1C

Area II

Area III

25X1C

3. The operational need for completion of the above selections and analyses is pressing. Any action taken by the ORR Geographic Division to expedite this requirement will be appreciated. It is requested that any questions pertaining to the operational details involved in this project be directed to [REDACTED] the SR Division, Extension 3597.
